

Pine Bluff - White Hall Regional ITS Architecture - Architecture Comments

March 28, 2006

No.	Comment	Source	Date	Completed	Comments/Rationale	Disposition
1	ATMS01 - City of Pine Bluff - change first sentence of note to "City of Pine Bluff traffic signals are currently timed by AHTD in Little Rock."	Amy Lewis	2/8/2006	2/21/2006	Agree	Complete
2	ATMS01 - City of White Hall - change first sentence of note to "City of White Hall traffic signals are currently timed by AHTD in Little Rock, but"	Amy Lewis	2/8/2006	2/21/2006	Agree	Complete
3	ATMS01 - City of White Hall - alphabetize elements in the ISP box	Amy Lewis	2/8/2006	2/21/2006	Agree	Complete
4	ATMS03 - City of Pine Bluff - modify note as specified in comment 1	Amy Lewis	2/8/2006	2/21/2006	Agree	Complete
5	Does the City of Pine Bluff have their own school flasher systems?	Trevor Harris	2/21/2006	3/28/2006	Put in as future. School pager systems are controlled by the schools at the roadside.	Complete
6	ATMS03 - City of White Hall - modify note as specified in comment 2	Amy Lewis	2/8/2006	2/21/2006	Agree	Complete
7	Does the City of White Hall have their own school flasher systems?	Trevor Harris	2/21/2006	3/28/2006	Put in as future. School pager systems are controlled by the schools at the roadside.	Complete
8	ATMS03 - AHTD - I don't think that the comment adds anything here, but is a little confusing, I vote that we delete it	Amy Lewis	2/8/2006	2/21/2006	Removed the comment regarding maintenance of the City of Pine Bluff and the City of White Hall signals.	Complete
9	ATMS03 - AHTD - this is the first time that Jefferson County ITS field equipment is mentioned, hmmm...	Amy Lewis	2/8/2006	2/21/2006	Should an ATMS03 be added for Jefferson County or should this element be deleted from here. ConSysTec: Jefferson County has one or two signals that are controlled by AHTD. There are no plans for a TOC for Jefferson County.	Complete
10	ATMS03 - AHTD - White Hall and Pine Bluff field equipment ... will AHTD ever communicate directly?	Amy Lewis	2/8/2006	3/28/2006	AHTD operates signal timing plans. How is this performed? Remotely, or through controllers at the roadside? Do not control, only for timing.	Complete
11	ATMS04 - AHTD TMC - is this really Freeway Control? Why not just information dissemination and network surveillance?	Amy Lewis	2/8/2006	2/21/2006	It is both - but this diagram shows control over freeway devices, distinguishing the difference between freeway and arterial ITS field equipment. Generally, AHTD controls freeways, not arterials - but arterial field devices may be controlled by AHTD.	Complete

12	ATMS04 - AHTD TMC - why not use AHTD DMS instead of Field Equipment here? I think DMS would be better and handy to have separated later.	Amy Lewis	2/8/2006	2/21/2006	Added an element "AHTD DMS" and added to the diagram. Kept "AHTD ITS Field Equipment" element in case there were sensors for AHTD.	Complete
13	ATMS06 - White Hall TOC 2 of 2 - why not public safety dispatch in EM like in Pine Bluff?	Amy Lewis	2/8/2006	3/28/2006	MECA is the EM dispatch for the City of White Hall. Does White Hall have it's own PD or EMS dispatch that needs to be called out separately? No - remove all references to White Hall Dispatch.	Complete
14	ATMS06 - AHTD TMC 1 of 2 - sub DMS for Field Equip if you agree with comment 10	Amy Lewis	2/8/2006	2/21/2006	Changed "ITS Field Equipment" to "AHTD DMS"	Complete
15	ATMS06 - AHTD TMC 2 of 2 - add White Hall PD?	Amy Lewis	2/8/2006	3/28/2006	Change in accordance with Comment 13 above. Added municipal public safety, but removed all reference to City of White Hall Public Safety.	Complete
16	ATMS08 - Municipal TOC (TM to EM) - add White Hall PD?	Amy Lewis	2/8/2006	3/28/2006	Change in accordance with Comment 13 above. Added municipal public safety, but removed all reference to City of White Hall Public Safety.	Complete
17	ATMS08 - City of White Hall (MCM to EM) - add White Hall PD?	Amy Lewis	2/8/2006	3/28/2006	Change in accordance with Comment 13 above. Added municipal public safety, but removed all reference to City of White Hall Public Safety.	Complete
18	ATMS13 - City of Pine Bluff - modify note as specified in comment 1	Amy Lewis	2/8/2006	2/21/2006	Agree	Complete
19	ATMS13 - City of White Hall - modify note as specified in comment 2	Amy Lewis	2/8/2006	2/21/2006	Agree	Complete

21	ATMS13 - AHTD - note is confusing	Amy Lewis	2/9/2006	2/21/2006	Note changed for clarification.	Complete
22	ATMS15 - Fort Smith TOC - the title should be Pine Bluff TOC	Amy Lewis	2/9/2006	2/21/2006	Agree	Complete
23	ATMS15 - title should be White Hall not Municipal	Amy Lewis	2/9/2006	2/21/2006	Agree	Complete
24	EM01 - MECA 1 of 2 - why no White Hall PD?	Amy Lewis	2/9/2006	3/28/2006	Change in accordance with Comment 13 above. Remove all reference to White Hall Public Safety.	Complete
25	EM01 - EASI - what about Pine Bluff Public Safety Dispatch and/or UAPB Dispatch?	Amy Lewis	2/9/2006	2/21/2006	Added City of Pine Bluff Public Safety Dispatch and the UAPB Dispatch.	Complete
26	EM02 - City of Pine Bluff - remove comment box	Amy Lewis	2/9/2006	2/21/2006	Also took out the comment box for the City of White Hall and AHTD EM02 charts.	Complete

No.	Comment	Source	Date	Completed	Comments/Rationale	Disposition
27	EM02 - Jefferson County - why is this called Jefferson County and then it contains Pine Bluff emergency vehicles and field equipment?	Amy Lewis	2/9/2006	2/21/2006	Changed the name to City of Pine Bluff	Complete
28	EM02 - Public Ambulance - I find term public ambulance confusing and too close to private ambulance, how about renaming municipal/county ambulance?	Amy Lewis	2/9/2006	2/21/2006	Name is consistent throughout the three regional ITS architectures in Arkansas. Nothing changed.	Complete
29	EM05 - City of Pine Bluff (1 of 2) - this is the first place that Jefferson County Signal Systems are mentioned, why not an ATMS03? Or is it a mistake here?	Amy Lewis	2/9/2006	2/21/2006	Comment doesn't apply.	Complete
30	EM05 - City of Pine Bluff (2 of 2) - need to address question in comment box	Amy Lewis	2/9/2006	3/28/2006	Address comments in comment box. Added a MECA diagram to address coordination and distribution point of threat information.	Complete
31	EM05 - AHTD (2 of 2) - need to address question in comment box	Amy Lewis	2/9/2006	3/28/2006	Address comments in comment box. Added a MECA diagram to address coordination and distribution point of threat information.	Complete
